Application Acceptance Date

Community Rewards Program Organization Qualifications:

Qualifying organizations are charitable in nature, providing outreach programs to the community, civic services, youth, senior or other citizen support programs. Examples include: Youth sports programs, food banks, community shelter programs, local school programs, volunteer fire departments, non-profit pet support programs, Meals on Wheels and similar. The possibilities are endless!

Qualifying Organizations are NOT: religious or political organizations, or programs, clubs or organizations that promote religious, social or political agendas. These types of organizations are therefore not eligible for this donation program.

However, a religious organization that provides a weekly free meal for charitable purposes, is open to the general public, etc., could qualify. Specific organizations will be considered on an individual basis. Please contact the Marketing Department for more information at communityrewards@ckmarket.com.

If you are a religious organization (church) with a qualifying program that does not have a 501(c3) determination letter, we require a statement from the leadership of the organization (trustees, elders, etc.) stating that the organization meets the following 5 criteria in lieu of a determination letter:

1. The Organization is organized and operates exclusively for religious, educational, scientific, or other charitable purposes
2. Net earnings do not inure to the benefit of any private individual or shareholder
3. No substantial part of its activity is attempting to influence legislation
4. The Organization does not intervene in political campaigns
5. The Organization's purposes and activities are not illegal, nor do they violate fundamental public policy

Links to your organization, once approved, will be found by clicking this icon on our [Rewards Your Way](#) app, or online under [Community Rewards](#) at www.gorays.com or www.shopsmartfoods.com
